### Skandia No. 549

Skandia's May meeting was the last meeting to be held in the IOOF Temple until October. The June, July, August and September meetings will be held at Vasa Park, Pigeon Lake. Initiation of new members took place, with the drill team, in full regalia, officiating. The following people joined the Lodge: Edith Christensen, Jens Christensen and John Anderson.

Additional members have been added to the following committees: Social Committee, Herman Nelson and Willard Modin; Visiting Committee, Minnie and Harold Markstrom; Sick Committee, Julius Hober.

The Swedish Consul General to Canada, Ingmar Gravers, will be visiting Canada and will be in Edmonton from May 21 to 24.

The lunch served after the meeting was, as always, very delicious, and many persons enjoyed playing whist.

Next meeting June 2, 8 p.m., Vasa Park, Pigeon Lake.

### LADIES' AUXILIARY:

The Vasa ladies met at the home of Mrs. Oscar Pearson on May 11. Plans were made for the "Strawberry Tea" on July 8 at Vasa Park. A beautiful hand-crocheted tablecloth was donated by Irma McMaster for the fall bazaar. The next meeting will be at Mrs. Magnus Pearson's home on August 22 at 2 p.m.

### BOWLING:

The Vasa Bowling League has once again come to a very successful finish, with a wind-up banquet at the Paddock.

The Vasa Lodge Trophy, won by Gordon Pearson's "Swedes," was presented by Lodge President Sig Johnson. Team champions were: Gordon and Shirley Pearson, Mat and Leonard Eliasson and Charlotte and Alma Samuelson. Other trophies presented were: Ladies' high average, Evelyn Johnson; Men's high average, Gordon Pearson; Substitute ladies' high average, Dorothy Ekman and Substitute men's high average, Sig Johnson.

Team rolling in second place was Glen Eliasson's "Smorgasbord," with Glen, Audrey Eliasson, Margaret Eliasson, Willard Modin and Hansine and Eric Pierre. Third place was Andy Ogren's "Vikings," with Andy, Ivy Ogren, Knut Engstrom, Richard Enns and Harold and Minnie Markstrom. Novel classes were presented to all non-trophy winners. A most delicious buffet supper was served in the banquet room, which was decorated with gay streamers and balloons. Dancing followed, to the music of Carl Elgstrand's Orchestra.

A bowling meeting was held after Lodge on May 5. New executive for the coming season are: President, Gordon Pearson, and Secretary, Shirley Pearson. Phone GL 5-1294.

Bowling lanes have been secured at the Coral Bowl for September.

A sunny day favored guests who attended the Sons of Norway May 6 coffee party. President Mr. K. Amdam, Mrs. Amdam and Mr. and Mrs. F. Johnsrud received the guests. Mr. and Mrs. G. Algot attended the guest book. The silver coffee service table was attractive with its spring bouquet, miniature Norwegian flags and tall three-branch silver candelabra. Flowers cupped in pink nylon net centered the guest tables. Credit for this handiwork goes to Mr. and Mrs. K. Svidal, Mrs. J. Halberg, Miss L. Lagergren, Miss C. Reine and Miss A. Searl poured coffee. Mrs. H. Johnsrud wishes to convey her thanks to these ladies and the girls who served, as well as to Mrs. M. Rikstad, Mrs. L. Lineham, Miss E. Engen, Mrs. M. Amdam and Mrs. E. Searl. A special thanks from the Ladies' Auxiliary to the convener, Mrs. H. Johnsrud, and to all those who contributed so generously in the way of delicious cakes and sandwiches.

### SPRING CARNIVAL:

This year the "Spring Carnival" had a new feature. Thirty-six Calgary bowlers came to Edmonton to recapture the trophy they had lost to Edmonton in a previous game. The victory was theirs, which gave them their third season win. Bingo and dancing, with Mr. Peter Dunns' orchestra, was in progress throughout the evening at the Masonic Temple. Refreshments were served.

### LADIES' AUXILIARY:

The May meeting of the Ladies' Auxiliary was held at Mrs. R. Sivertsen's home. Anyone wishing to join our Auxiliary may do so by simply coming to our meetings. You are invited to Mrs. M. Amdam's home at 10132-153 St. on Friday, June 1st.

Mr. and Mrs. Stephan V. Benediktson spent a most enjoyable holiday motoring out to the west coast. While there they visited with relatives in Cloverdale and also took in the World's Fair in Seattle. Stephan is among those graduating at this year's convocation ceremonies at the University of Alberta. He will spend the summer working in Calgary and his family will join him there shortly.

### CORRECTION

We thank Mr. C. M. Johnson for a most pleasant phone call drawing our attention to a bit of a "boo boo" in our last column. We are happy to make the following correction.

Mr. and Mrs. Stephan Kolbinson of Saskatoon spent several days in our fair city visiting at the C. M. Johnson home. Mrs. Johnson and Mrs. Kolbinson are sisters. Mr. Kolbinson is an importer and maker of violins. He has a wonderful collection of hand made Italian, French and German violins. In his collection he also has fine cellos and violas. This last winter he made a trip to New York in connection with this interesting hobby and business.

Mr. Cameron Smith has returned from a two week trip to Los Angeles, California. While there he took a refresher course through the Clayton Manufacturing Co. factory. Several days were spent in the oil fields at Bakersfield where the company has installations. Mr. Smith is western Canada representative for Clayton's, makers of steam generators. Enroute he visited the World's Fair in Seattle and also with friends and relatives in Vancouver.

St. John Church was the scene of a very lovely wedding uniting Miss Joan Beecroft and Mr. Benedict H. Gudmundson. The parents of the bride are Mr. and Mrs. J. A. Beecroft, Edmonton, and the groom is the son of Mrs. Gudmundson and the late Mr. Carl Gudmundson, Onoway, Alta. ## DANIA

### ACCOMODATION FOR DANISH GYMNASTS:

During the stay in Edmonton of the "Danish Gym Team," private accomodation for the group will be needed.

Anyone wishing to take a gymnast as a guest in their home for two or three days please phone Mrs. Vera Nielsen at GE 9-0506.

Here we have June again and time for our annual Set. Hansfest. It will be the same place as last year, the East Edmonton Community Hall on Highway 14 (Cooking Lake Highway) only 1½ miles from the city limits. We will have a bonfire with a sing-song. You will be able to purchase your coffee, hot dogs, soft drinks, etc. from the ladies of "Bikuben." After dark we will try to get a "Svingom," if there is room enough in the hall. We hope to see many out. It is a Saturday evening, and you will all want to get out to enjoy yourself, I am sure. So let us see you all for Set. Hans June 23. See the advertisement in this paper for details.

"Bikuben" will not meet before August, the time will be announced later. We want to extend a hearty greeting to all those that are taking advantage of the chartered flight to visit friends and relatives in their old land and hope they will have a very enjoyable time and come back with lots of news to tell the rest of us. You should all be nicely back for our August meeting. So have a good time, all of you!

Remember, if you haven't already purchased your tickets for the Danish Gym Team performance at the Jubilee Auditorium on May 30 at 8 p.m., then hurry over to Allied Arts at the Hudson's Bay Co. Store or to 10029-85 Ave. You won't be sorry. It will be a rare treat to see the performance. The Leaser, Erik Flensted Jensen, is known the world over. He is presently touring the U.S.A. for the fifth time with a team of 32 young gymnasts. We are sure you won't be disappointed if you go. Bring your school-age children, too. Let them see what gymnastics really are. Many don't know and therefore are not interested, but you will be after you have seen such a performance, we are sure.

## RED CROSS — A DREAM COME TRUE:

With chronically ill, bedridden patients, every physician has thought about the benefit which could be derived from a change of scene for the patient, if only he could arrange it.

In the Netherlands just such a lift is being provided for thousands of patients in the form of six day cruises aboard a Netherlands Red Cross hospital ship. The emotional and physical benefits begin months before the patient actually starts the trip, with his anticipation of release from the confinement of home and hospital. They persist for months afterwards when the patient has something to tell friends about his cruise, and a lot of things to remember with pleasure and satisfaction.

The "dreamboat" of thousands of chronically ill patients in the Netherlands is a modest craft resembling a flat-bottomed Mississippi River steamer. She is named the J. Henry Dunant, for the founder of the Red Cross. Since her maiden voyage three years ago, the handsome vessel has given about 2,500 patients a new look at their maritime country, and a new lease on life. From April until October the "Dunant" cruises the complex inland waterways of the Netherlands. With the aid of mirrors the bedridden patients can see picturesque canal towns, windmills, passing barges loaded with cattle and cheeses and great foreign liners in busy Amsterdam, "Venice of the North."

Late each afternoon the "Dunant," having cruised for about 12 hours, ties up for the night at the municipal docks of another town for an evening of conviviality and visiting. Local towns-people, members of the Red Cross, relatives and old friends stream up the gangplanks. Often

there is informal entertainment with songs, skits and dances either on the dock or on board, as a way of welcoming the Dunant's passengers. Visitors bring candies, cakes and gifts. Long-separated relatives are reunited. Newcomers chat with the patients and form friendships. Thus each of the six towns visited provides its own special color, specific pleasures and memories for patients. This is why one observer caller her "Holland's Happiest Ship."

The Danish Club in Calgary invites you all to come down to their big Danish "Grundlovsfest" on Sunday, June 3 at 2 p.m. The place is located six miles west of 24th St. and 16th Ave. N.W. on Highway 1 west. There will be signs to direct you. Among the speakers will be Honorable R. D. Jorgensen, Minister of Public Welfare, and the Danish Trade and Commerce Minister, who is coming up from the World's Fair in Seattle. The Strathcona Regiment Band will play. There will be games for everybody to take part in and a big bonfire after dark, with a sing-song. It sounds like a big day and everyone is welcome. They would like to see some people from Edmonton on such a day, so plan a trip to Calgary on Sunday, June 3.

# Canada Needs Social Credit

## A PERSONAL MESSAGE:

Dear Scandinavian Friends:

Yes, it's true! Your secretary is contesting the June 18th election. Ever since the memorable days of 1935, when this province elected the world's first Social Credit government, I've had a deep desire to be of greater service to the Social Credit movement and hence to my fellow man. Therefore, on April 27th, I accepted the nomination as the Social Credit candidate in Edmonton-Strathcona.

Why do I feel so strongly about Social Credit? Because it is the only alternative offered Canadians to Depressions, Deficit Budgets, and Deflated Dollars. These are the results of bungling mis-management and present financial policies. They all reduce your spendable income.

We must solve our economic plight of Increasing Debts, which bring Increased Interest Charges (Last year over \$800,000,000), which in turn bring Increased Taxes. Taxes have now reached an all-time high, where over 46 cents of every earned dollar is paid in taxes of one kind or another. And so the cost of living continues to rise.

We must stop this trend now, or we will drift into an economic dictatorship of the right or a political dictatorship of the left. One is as bad as the other, and each will reduce man to a mere slave.

The Social Credit monetary proposals will balance our economy, by gearing Canada's rate of consumption to her rate of production. This will increase the amount of Spendable Income in your pocket, so that all may enjoy the benefits of an age of potential plenty.

For years Social Credit has recommended that the Canadian Government should obtain all New Money it required from the Bank of Canada, interest free, instead of continuing to borrow from the chartered banks, and over-taxing the people to pay the interest charges. In no other way can the burden of national debt and interest be eliminated.

Time and space will not permit me to explain all the Social Credit proposals, but surely it is evident that we need a change. And we need it urgently, if we are going to avoid another depression! Another war! Or a dictatorship! Let us rise to the occasion and make the change now. Canada can lead the way to world prosperity and peace. I appeal to you for your loyal support and the wholehearted support of your friends.

Yours for Victory on June 18th,

**S. A. SORENSON.**

### Vasa Lodge Skandia No. 549

(Continued from Page 1)

Hats off to Doreen and Ray Nyroos and Audrey and Glen Eliason for their hard work which made the past season such a big success.

#### MEMORIAL SERVICE:

The Vasa Lodge memorial service was held on May 6 at Augustana Lutheran Church. Lodge members participated in the order of service, assisted by Pastor Leon Lindquist and organist Ellen Larson. Flowers, which were placed on the altar by families of late brothers and relatives, were donated to the Good Samaritan Hospital. The offering for the day was presented to the Altar Guild to purchase a white altar cloth in the name of Vasa Lodge Skandia No. 549. The Vasa ladies served coffee after the service in the social room.

Vasa Day on Sunday, May 20 was cancelled due to rainy weather. So much work went into the organizing for such a gathering that we hope this will not discourage plans for a Vasa Day next year.

The children's performance on the Mother's Day program was enjoyed by all those who attended. The children recited and sang songs in Swedish and English. They also did Swedish folk dancing in colorful costumes. Each mother was presented with a lovely flower and a tasty lunch was served.
